Tugas CRUD API Postman

JAWABAN

LANGKAH PENYELESAIANNYA:

- CRUD (Create, Read, Update, dan Delete) atau di dalam Postman yaitu (GET, POST, PUT, DELETE, dll).
- Untuk database kali ini saya memilih database products yang nantinya akan kita CRUD di dalam Psotman.
- 1. GET

Hasilnya:

2. POST

```
Params Authorization Headers (9) Body Scripts Settings

one form-data x-www-form-urlencoded raw binary GraphQL JSON 

**Beautify**

**Supplier_ids*: "4",

**id*: 100,

**product_code*: "NNTB-1",

**product_name*: "jasa web",

**description*: null,

**standard_cost*: "13.5000",

**list_price*: "18.0000",

**reorder_level*: 10,

**target_level*: 40,

**quantity_per_unit*: "10 boxes x 20 bags*,

**discontinued*: false,

**minimum_reorder_quantity*: 10,

**category*: "Beverages*,

**attachments*: "*

**a
```

Hasilnya:

3. DELETE

saya akan mencoba menginisialisasi perintah DELETE pada ID 100

Setelah di delete id "100" nya akan otomatis terhapus

```
| Body | Cookies | Headers (7) | Test Results | 200 OK | 58 ms | 15 KB | 3 ave Response | 500 | 1 ave Response | 500 | 2 ave Response | 5
```

4. PUT

 Yang terakhir kita akan menginisialisasi perintah UPDATE di Postman, di Postman jika kita ingin mengupdate data kita menggunakan PUT

```
Params Authorization Headers (9) Body * Scripts Settings Cookles

none form-data x-www-form-urlencoded raw binary GraphQL JSON 

**Beautify**

| Send | Sen
```

- Selanjutnya kita akan menginput data apa saja yang akan kita UPDATE :
- Sebelum UPDATE data:

```
Cookies
              Headers (7)
Body
                          Test Results
                                                                                                      200 OK
  Pretty
                   Preview
                                         JSON ~
            "records": [
                    "supplier_ids": "4",
                    "id": 1,
                    "product_code": "NWTB-1",
                    "product_name": "Northwind Traders Chai",
                    "description": null,
                    "standard_cost": "13.5000",
                    "list_price": "18.0000",
                    "reorder_level": 10,
                    "target_level": 40,
                    "quantity_per_unit": "10 boxes x 20 bags",
                    "discontinued": false,
                    "minimum_reorder_quantity": 10,
                    "category": "Beverages",
                    "attachments": "'
```

• Setelah di UPDATE data:
